

Meet the Teacher Year 6

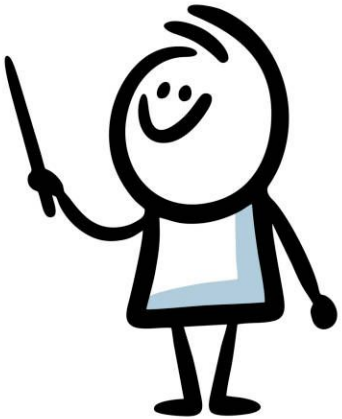

Year Group: 6

Class teacher: Miss
Welsh

Support staff: Mrs
Doran

Our School Values

Ready
Respectful
Safe

The Matthew Arnold Way

A shared set of standards
outlining how the children
should behave to be **ready,**
respectful and safe.

What we value...

Our three key values are: ***READY, RESPECTFUL & SAFE***

We have discussed with our children what these words mean, how they can use these words to help them in school and what their behaviour may look like when they are ready, respectful and safe.

- Ready: to learn, to play, to aspire to the future, to make progress, to improve, to be positive
- Respectful: of each other, of ourselves, of our surroundings, of our differences, of each other's feelings, of everyone's rights
- Safe: at school, at home, in the playground, in the classroom, **online**, in our learning, in our play

Attendance

Every school day counts—regular attendance builds strong learning habits

Medical
Appointments

Holidays

Days off school add up to lost learning

175 NON SCHOOL DAYS A YEAR

175 days to spend on family time, visits, holidays, shopping, household jobs and other appointments

Don't be late!

An exciting last chapter...

Curriculum information

Specific information about our foundation subject curriculum areas can be found on our website.

Our core subject areas will be focused on completing the primary school curriculum and preparing the children not only for the KS2 statutory assessments, but also for high school.

<https://www.matthewarnold.co.uk/yearly-curriculum-overviews/>

Year 6 Curriculum Overview

	Autumn	Spring	Summer

Spanish	Self, family and friends School life	The world around us Animals and home environment	Leisure Summer

Important information

Our P.E days is Friday
Our swimming day is Tuesday

We change reading books on completion.

We have our spelling test on: Monday

Important information

When and how the SATs are completed?

- The tests take place during normal school hours, under exam conditions.
- Children are not allowed to talk to each other from the moment the assessments are handed out until they are collected at the end of the test.
- After the tests are completed, the papers are sent away to be marked externally.
- The results are then sent to the school in July.
- Each test lasts no longer than 60 minutes:
 - Spelling, punctuation and grammar (paper 1: Grammar/ Punctuation) – 45 minutes
 - Spelling, punctuation and grammar (paper 2: Spelling) – 20 minutes
 - Reading – 60 minutes
 - Maths (paper 1: Arithmetic) – 30 minutes
 - Maths (paper 2: Reasoning) – 40 minutes
 - Maths (paper 3: Reasoning) – 40 minutes

Important information

The results

Tests are marked externally. Once marked, the tests will be given the following scores:

- A raw score (total number of marks achieved for each paper);
- A scaled score (see below);
- A judgement on if the National Standard has been met.

After marking each test, the external marker will convert the raw score to a scaled score. Even though the tests are made to the same standard each year, the questions must be different. This means the difficulty of the tests may vary. Scaled scores ensure an accurate comparison of performance over time.

Scaled scores range from 80 to 120.

A scaled score of 100 or more shows the pupil is meeting the National Standard. If a child records a scaled score of 110 or more, this would be recognised as working at greater depth.

Key stage 2 tests

The statutory key stage 2 tests are timetabled from Monday 11 May to Thursday 14 May 2026.

An exciting last chapter...

Year 6

Year 6 is a unique, busy and exciting year. We are aware parents may have questions about the end of KS2 statutory assessments that will take place in May. Information about this can be found on the government website and as we get closer to this time, we will meet again to provide you with further information.

Information regarding high school comes to us from the local council. The deadline for applying is Friday 31st October. Transition dates are given to us nearer the time but are usually June and July. High schools will be welcoming you to open evenings over the Autumn term.

<https://liverpool.gov.uk/schools-and-learning/school-admissions/closing-date/>

Year 6 Events (The headlines)

Class assembly

Parents Evening

Christmas activities

Residential to Wales

Leavers events and transition

As well as several other trips and visitors throughout the year.

Residential

This year, your child will get the opportunity to visit Glan-Llyn Outdoor Activity Centre. We are very excited to take your children on this challenging yet highly rewarding experience. We would encourage parents to look through the website with their child.
