Our School Values

Ready
Respectful
Safe

The Matthew Arnold Way

A shared set of standards
outlining how the children
should behave to be **ready,**
respectful and safe.

What we value...

Our three key values are: ***READY, RESPECTFUL & SAFE***

We have discussed with our children what these words mean, how they can use these words to help them in school and what their behaviour may look like when they are ready, respectful and safe.

- Ready: to learn, to play, to aspire to the future, to make progress, to improve, to be positive
- Respectful: of each other, of ourselves, of our surroundings, of our differences, of each other's feelings, of everyone's rights
- Safe: at school, at home, in the playground, in the classroom, **online**, in our learning, in our play
