Developing True Potential

Newsletter July 2025

Dear Parents / Carers,

The year seems to have flown as we head into the last week of term. It has been a busy time with so many trips / visitors / sports days / residential etc. We are really proud of the progress the children have made — they have worked so hard throughout the year.

We wish all our families a safe and happy summer break.

Pupils return to school on Tuesday 2nd September, we look forward to seeing you then.

Thank you for your continued support.

RNLI Visit

Children really enjoyed a whole school visit from the RNLI. There was an assembly then workshops in different classes. We all learnt really important information on how to be safe in the water and also have fun.

Current school attendance

93.7%

KS2 SATS

Our Year 6 class received their SATs results this week. As a class they have achieved the best set of SATs results the school has had since before COVID.

This puts them in a great position for their transition to secondary school.

Good luck Year 6!

Ready, Respectful, Safe

Keep Our Community Clean!

Year 5 had a very busy morning litter picking in our local area. They were so sensible and did an excellent job, however they were shocked at how much litter they collected from Dingle Lane. Please help us keep our community clean and litter free!

In school we promote and value difference and diversity. We had a very informative visit from Noor (Asylum Link Merseyside) who delivered a whole school assembly and class workshops to teach us about what means to be a refugee or asylum seeker as well as the fabulous work they do to support families in Liverpool.

The Reception Graduation Assembly is always one of the highlights of the year—this year was no different! It was fantastic to see our Reception children so ready for their journey into Year 1.

It was lovely to be joined by so many family members. We are so proud of all the children have achieved this year.
