Dear Parent or Guardian

The Summer HAF programme starts on the 21st July and there are lots of great activities happening over the school holidays. Children and young people, from reception to age 16, who are eligible for benefits related free school meals, will be able to access hundreds of activities throughout the Summer holidays including specific provision available for children with SEND or additional needs, all at **no cost**. There's a great range of activities across the city including **cultural storytelling, pamper sessions, sewing, trips out, dance, mindfulness, swimming, football, board games, water sports, skateboarding, cycling, gymnastics, nature walks and dodgeball to name but a few!** A meal is included for every child attending.

There is a central booking system to make it easier for you to find and book the activities. You can find out where your nearest scheme is by clicking on this link <https://eequ.org/liverpoolhaf> or by using the QR code which will take you to the Liverpool HAF page and the easy to fill in booking system. You can search by age, provider or date. There is a handy booking help video here - [How to make a booking](#)
